

## Notice of Special Enrollment Rights

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 30 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. To request special enrollment or obtain more information, contact the Statewide Benefits Office at 1-800-489-8933 or at [benefits@delaware.gov](mailto:benefits@delaware.gov).

**\*Requests for special enrollment rights must be made within 30 days of the date of the qualifying event. Qualifying events are the loss of eligibility for other coverage (or if the employer stops contributing to the other coverage), or gaining a new dependent through marriage, birth, adoption or placement for adoption.**

Special enrollment rights also may exist in the following circumstances:

- If you or your dependents experience a loss of eligibility for Medicaid or a state Children's Health Insurance Program (CHIP) coverage and you request enrollment within 60 days after that coverage ends; or
- If you or your dependents become eligible for a state premium assistance subsidy through Medicaid or a state CHIP with respect to coverage under this plan and you request enrollment within 60 days after the determination of eligibility for such assistance.

Note: The 60-day period for requesting enrollment applies only in these last two listed circumstances relating to Medicaid and state CHIP. As described above, a 30-day period applies to most special enrollments.
